The image shows the Slotfire Designer software interface. At the top, the title bar reads "Slotfire Designer". The main window features a grid with a horizontal axis labeled from 1m to 12m and a vertical axis labeled from 3m to 5m. A curved track segment is currently selected, with dimension lines indicating a width of 2.78m and a height of 0.188m. The interface includes a toolbar with various icons for file operations, editing, and visualization. A left sidebar displays a library of track segments, numbered 414 through 421. At the bottom, a row of five track layout thumbnails is visible, with the first one highlighted. The Slotfire logo is positioned in the top right corner. Several yellow callout boxes with red arrows point to specific icons and features, each with a descriptive label in German.
